Subject: Limitation letter

Dear Masters / secretariats,

Due to the many entries for session 6 (Sunday morning) we cannot process all starts within an acceptable time schedule. Therefore the limitation proceedings as outlined in the competition rules will be effective. In addition, a few (minor) adjustments will be made to the program.

Would you please be so kind to share this information with your participating Masters.

It concerns the following adjustments:

- Thursday, session 1: the 15 minute break is replaced by 2x 10 minutes (the exact times will be known when publishing the start lists).
To allow everyone to start two swimmers of program number 1 (1500 m Ladies) will be merged with the first entries of program number 2 (1500 m Men).
- Friday, sessions 2 and 3: no changes.
- Saturday, sessions 4 and 5: the sessions will be run using a continuous program. Starting time of session 5 is half an hour after the end of session 4 (the exact times will be known when publishing the start lists).
- Sunday, sessions 6 and 7: Starting time of session 5 is 1.30 pm instead of 1 pm. A 15-minute break will be scheduled both in the morning and in the afternoon (the exact times will be known when publishing the start lists).

List with rejected starts

The [list of rejected starts](#) has been published on [Live Timing](#). This will also show the current state of affairs with regard to the reserve list.

Participants from the rejected starts appear automatically on the reserve list unless they indicate that they do not wish to do so.

Note that this is a change from previous ODMC's where a reserve spot had to be confirmed.

So, only if a swimmer does **NOT** want to use his right to a reserve spot, this should be submitted by e-mail by the secretariat on our registration address

mastersinschrijvingen@knzb.nl

Use the subject: "*Confirmation reserve participant ODMC2019lc + the name of your club*". You can submit on the registration address until **Friday April 26th 8.00 pm** with the following information:

→ *Team name, name, event number, distance and stroke.*

This reserve spot gives a right of placement in the schedule in case of cancellation by a placed participant. Placement is in order of points and up to the moment of seeding of the starting lists, as follows:

- Seeding of the start list Thursday session 1: Wednesday May 1st, 4.30 pm
- Seeding of the start lists Friday session 2 and 3: Thursday May 2nd, 4.30 pm
- Seeding of the start lists Saturday session 4 and 5: Friday May 3th, 4.30 pm
- Seeding of the start lists Sunday session 6 and 7: Saturday May 4th, 4.30 pm

Please try to e-mail unexpected sickness / cancellations before above mentioned times, so we can replace with a reserve. After seeding of the start lists, we won't replace any participants.

Entry fees

Participants from the rejected starts will pay no entry fees for their reserve spot, even when they are placed on the final starting list later. Reserve participants placed on the starting lists, have the same duties as normal. So, not showing at the start without cancellation will be sanctioned in accordance with the general conditions.
