Subject Limitation

Dear Masters secretaries,

Due to the many entries for the championships we cannot process all starts within an acceptable time schedule. Therefore the limitation proceedings as outlined in the competition rules will be effective. Would you please be so kind to share this information with your participating Masters.

During session 1 (Thursday afternoon) the 15 minute break is replaced by 2x 10 minutes (the exact times will be known when publishing the start lists).
There are no adjustments during the other sessions.

List with rejected starts

The [list of rejected starts](#) has been published on [Live Timing](#). This will also show the current state of affairs with regard to the reserve list.

Participants from the rejected starts appear automatically on the reserve list unless they indicate that they do not wish to do so.

So, only if a swimmer does **NOT** want to use his right to a reserve spot, this should be submitted by e-mail by the secretariat on our registration address mastersinschrijven@knzb.nl

Use the subject: "Confirmation reserve participant ODMC2022lc + the name of your club". You can submit on the registration address until **Friday April 29th 8.00 pm** with the following information:

à Team name, name, event number, distance and stroke.

This reserve spot gives a right of placement in the schedule in case of cancellation by a placed participant. Placement is in order of points and up to the moment of seeding of the starting lists, as follows:

Seeding of the start list Thursday session 1: Wednesday May 4th 5.00 pm

Seeding of the start lists Friday session 2 - 3: Thursday May 5th 5.00 pm

Seeding of the start lists Saturday session 4 - 5: Friday May 6th 5.00 pm

Seeding of the start lists Sunday session 6 - 7: Saturday May 7th 5.00 pm

Please try to e-mail unexpected sickness / cancellations before above mentioned times, so we can replace with a reserve. After seeding of the start lists, we won't replace any participants.

Entry fees

Participants from the rejected starts will pay no entry fees for their reserve spot, even when they are placed on the final starting list later. Reserve participants placed on the starting lists, have the same duties as normal. So, not showing at the start without cancellation will be sanctioned in accordance with the general conditions.
