Subject Time schedules and limitation ODMC 2024 long course

Dear Masters secretaries,

Would you please be so kind to share this information with your Masters participating in the ODMC 2024 long course in Eindhoven:

### **Time schedule**

Breaks of 15 minutes during the sessions will be determined when the starting lists are published. Breaks between the morning and afternoon sessions is 1 hour, due to this the afternoon sessions may start slightly earlier or later and will be announced by the speaker in de pool.

The final time schedule per session will be published on the definitive start lists.

### **Limitation**

There will be a limitation in all of the sessions. Due to the number of entries for the championships we cannot process all starts within an acceptable time schedule. Therefore the limitation proceedings as outlined in the competition rules will be effective.

### **List with rejected starts**

The list of rejected starts has been published on [Live Timing](#). This will also show the current situation with regard to the reserve list. Entry fees already paid for rejected starts will be settled with the deposit.

Participants from the rejected starts appear automatically on the reserve list unless they indicate that they do not wish to do so. So, only if a swimmer does NOT want to use his right to a reserve spot, this should be submitted by e-mail by the secretariat on our registration address [mastersinschrijvingen@knzb.nl](mailto:mastersinschrijvingen@knzb.nl)

Use the subject: "Cancellation reserve spot participant ODMC2024lc + the name of your club". You can submit on the registration address until Friday April 26th, 8.00 pm (CET) with the following information: team name, name, event number, distance and stroke.

This reserve spot gives a right of placement in the schedule in case of cancellation by a placed participant. Placement is in order of points and up to the moment of seeding of the starting lists, as follows:

Seeding of the start list Thursday session 1: Wednesday May 1th, 4.30 pm

Seeding of the start lists Friday session 2 - 3: Thursday May 2nd, 4.30 pm

Seeding of the start lists Saturday session 4 - 5: Friday May 3th, 4.30 pm

Seeding of the start lists Sunday session 6 - 7: Saturday May 4th, 4.30 pm  
Please try to e-mail unexpected sickness / cancellations before above mentioned times, so we can replace with a reserve. After seeding of the start lists, we won't replace any participants.

### **Entry fees rejected starts**

Participants will pay no entry fees for their reserve spot, even when they are placed on the final starting list later. Reserve participants placed on the starting lists, have the same duties as normal. So, not showing at the start without cancellation will be sanctioned in accordance with the general conditions.

If applicable, this will be deducted from the deposit.

Due to the large number of starts that can take place, it was decided at the suggestion of the local organisation PSV Masters to reduce the starting fee of individual participation from 10 to 9 euros.

### **For all updates check:**

Live Timing website <https://mastersprint.nl/live/?lang=en> with the current reserve list;
